"I'm Keerthana Surendran, a Web Developer with a Computer Science background and an MBA in Human Resource Management. I've worked in diverse roles, from System Administration to Faculty/Trainer. I'm skilled in Javascript, HTML, CSS, React, Bootstrap, and Tailwind, with additional expertise in Microsoft Office, Linux, and Accounting Theory & Tally. I'm a continuous learner who loves challenges and digital creativity. Looking forward to contributing my problem-solving skills and tech passion to innovative solutions."
